1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school.

2. Legislation and guidance

This policy is based on the [pupil premium allocations and conditions of grant guidance 2022 to 2023](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

The use of EYPP funding is informed by research and evidence, paying for high leverage strategies to be used which increase the outcomes and positive start that eligible children receive at Collyhurst Nursery School.

To decide upon these strategies, we have referred to the [guide published by the Education Endowment Foundation \(EEF\)](#)

Our approach is shaped by the 3-tiered approach, set out in the DfE's guidance, as follows:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support.

Our use of the pupil premium and activities align with the DfE's 'menu of approaches'. As set-out on pages 7 and 8 of the DfE's [guidance for schools leaders on using the pupil premium](#).

Collyhurst Nursery School is located in an LSOA which has the highest levels of social deprivation in England. As such, local data tells us that children's levels of health, including oral health, are not always as high as they should be; their levels of literacy, and communication and language are often under-developed; their families are more likely to have difficulty supporting with education and families will experience a range of challenges at home.

Our mission at Collyhurst Nursery School, supported by the EYPPG, is to give children the best possible start to their education. We know that the foundations which we help to provide children with now, will be built upon for at least the next 16 years of compulsory education, if not longer. The interventions which we provide may help to

improve the life chances of our children, putting them on an upward trajectory towards great things.

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra 1-to-1 or small-group support
- Employing extra teaching assistants
- Subsidising educational trips and visits.

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available on our website: <https://www.collyhurst.manchester.sch.uk/>

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in the nursery class (yellow room).

Eligible pupils fall into the categories explained below.

Ever 6 free school meals

Pupils who are in the term after their 3rd birthday, recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census. It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

Post looked-after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces.
